HARVEST APPEAL

Please remember to follow through on your pledge to support the water project in Kenya.

A bore hole would provide a rural community with clean water to drink, wash and cook with.

Ideas to guide your prayers this fortnight

- ◆ Thank God for farmers and all who help to produce our food
- ◆ Pray that Café 12/31 will increasingly become a beacon of light in the community
- ◆ That the men's weekend, 18th-20th October, will be a blessing to all involved
- ◆ Pray for people in Kenya who lack clean water, and for the success of plans to develop boreholes among rural communities
- ◆ That our local councillors will have wisdom in allocating scarce resources for the good of the community
- ◆ That people across the Middle East won't lose hope, and that church leaders will have wisdom to support their communities
- ◆ Pray for the people of Florida displaced by recent weather events, especially those whose homes have been destroyed
- ◆ Those in our local community who participate in sport and who enable others to do so
- ◆ Praise and pray for those who work in our local pharmacies
- ◆ Praise for the opportunities we have to read and study the Bible; pray we will put into practice what we learn

'For I desire mercy, not sacrifice, and acknowledgment of God rather than burnt offerings.' (Hosea 6:6)

FAITH, DEMENTIA AND BRAIN HEALTH

Sat 23rd November 10am to 12.00 in Chapter House

Research confirms that practising a faith is good for brain health. The goal of this informal workshop will be to reflect on and discuss different aspects of our faith - both individual and shared practices - and to be encouraged to keep on keeping on! It will be led by Charlotte Overton-Hart, who has worked in the dementia sector for many years and has run workshops around the country.

Book on www.trinitylewes.org/brainhealth . Optional donation of £5. Contact Jenni Taylor 07855 989910 for further details.
